

IP Tour ROE

Purpose:

Rules of engagement are enforced as guidelines for standardized procedures and practices, used to ensure efficient and professional distribution of information while on the ip tour team.

Rules:

- Do not perpetuate negative talk about the squadron/s IE. talking about Sarc Knights, or negative thoughts about MTLs, Wingmen, Programs, Etc.
- Keep professional language, IE. keeping cussing to a minimal or not at all, No politics or overtly strong opinions, or no sexual comments or deviations of that nature.
- While giving the tour of the triangle do not engage in side conversations, this is the IP Leads time to talk and give direction, not a time for other ropes to encourage their programs or answer questions. Questions can be asked or answered after or during the walk to the BX with exceptions to IP Lead showcasing schoolhouses during this time; other exceptions include reiterating what the lead has said in case people in the back did not hear.
- Additionally do not interrupt other programs or have side conversations in the back during the slide showcase unless supporting their cause or correcting any info they miss.
- **If any of these rules are not respected and understood, then you will be removed from doing any other IP events again, and another rope of the same program will join, or the IP Team will talk about the program themselves.**
- **Everything here must be read or else do not show up to the IP Tour at all.**
